

**We Are Hiring!!**

## **Graphic Designer**

**Job Role: Graphic Designer**

Location: Mysore, Karnataka (Onsite)

Work Experience: 0 to 2 Year

Salary: Upto 30k

Software Knowledge: Adobe After Effects, Premier Pro, Audition, Illustrator and Photoshop.

**Job Description:**

As a Motion Graphics Designer at UNIABROAD, you will have the opportunity to work on a wide variety of projects, from video advertisements to social media content and animations. You will be responsible for bringing our ideas to life by creating visually stunning and engaging motion graphics.

**Responsibilities:**

Create visually appealing motion graphics for a range of projects, including but not limited to videos, presentations, and advertisements.

Work closely with the design and marketing teams to understand project requirements and objectives.

Conceptualize and develop creative ideas and concepts for motion graphics.

Use animation and visual effects software to create high-quality motion graphics.

Collaborate with the video production team to integrate motion graphics seamlessly into videos.

Keep up-to-date with industry trends and techniques to ensure the highest quality output.

**Qualifications:**

Bachelor's degree in Graphic Design, Animation, or a related field.

0-1 year of professional experience in motion graphics or a related role.

Proficient in using industry-standard motion graphics software such as Adobe After Effects, Premiere Pro, and Illustrator.
